

A romantic wedding scene set within a large, weathered stone archway. A bride in a white gown and a groom in a dark suit are captured in a tender kiss. The scene is dramatically lit with strong, golden light rays streaming through the arch, creating a magical atmosphere. A vibrant rainbow is visible on the left side of the frame, adding to the ethereal quality. The background shows a path leading into a lush, green forest.

# Testimonials

"I can't honestly put into words how incredible our wedding was. The team made the whole process from the initial email to my last-minute worries on the day a breeze. Having our wedding 90 miles away seems mad but we couldn't have picked a better venue.

The views, the food, the staff - were amazing.

The Nothe Fort and Dorset have always been a special place to me having visited since I was little, and every year bringing our children.

Thank you everyone. And to anyone considering a wedding here, do it!"

"They went above and beyond to make sure that the wedding went ahead as planned, regardless of the very adverse weather conditions leading up to the day! You made it extra special for us both and were so understanding about the stresses that we were going through. We can't recommend the Nothe Fort enough."

Kara, 2018

"The Nothe Fort is truly an amazing venue, it is a beautiful inside and out. The staff are friendly, helpful and professional... not only is the Nothe Fort affordable but it has incredible views as well as holding a lot of Weymouth's history within its walls. Anyone thinking of having a wedding here, we cannot recommend the Nothe Fort enough! We thoroughly loved it so much. Thank you for letting us be a small part of the Nothe Fort's history."
